

**CHANCE CAMP
NEWSLETTER 13**

**COCKERMOUTH, LAKES
COLLEGE & NETHERHALL**

The great Chance Camp expansion is well and truly underway! A grand total of 111 children attended Chance Camp sessions at Netherhall, Cockermouth and Lakes College and what a week it was! With Chris in charge of Cockermouth, David at Netherhall and Jason at Lakes it was an ideal chance for people to meet new faces, make new friends and coaches to expand their repertoires.

As usual the camps were a great mixture of learning, improving social skills, and of course, competition and by the end of the week there were very tired but happy children and coaches!

We are looking forward to Easter already.....

"I missed my sister's birthday five years running." "I made a lot of sacrifices." "You can't get to the Olympics without giving it everything."

Lizzy Yarnold. Team GB Skeleton Gold Medal Winner at the 2014 Sochi Winter Olympics

CHANCE CAMP GIFTED & TALENTED PROGRAMME

In his previous role as Sports Development Officer Chris was responsible for running the Allerdale Gifted and Talented Academy where the cream of local talent would come together on a regular basis and train together. Chance Camp has been an extension of this, albeit with a larger age range, and the first Chance Camp of 2014 saw things come full circle as the “Chance Camp Schools’ Gifted and Talented Programme” was launched. The scheme involves local schools using money from their sports budget to identify talented athletes across the 5 Chance Camp building blocks of Personal, Social, Cognitive, Creative and Physical skills via in school testing and providing places on Chance Camp at a location closest to the school. This has resulted in children working very hard in school in order to get selected.

EASIER WAY TO BOOK ONTO CHANCE CAMP FROM OUR WEBSITE

Our website has recently had something of an overhaul. It is very much the same in terms of what is on offer, results, photos and all the usual links to Facebook but it is now much simpler to book onto forthcoming Chance Camps as all you have to do is click on the venue required, type in what days you want and away you go! Please go to www.chancecamp.co.uk to have a look!

FEBRUARY HALF TERM RESULTS

CHANCE CAMP CHALLENGES

Cockermouth	Netherhall	Lakes College
Mini Stars	Mini Stars	Mini Stars
1 st Josh Brown	1 st Blake Miller	1 st Harry Watson
