& LAKES COLLEGE

WHAT A SPECTACULAR
COMMONWEALTH GAMES
SUMMER IT WAS!

Having watched quite a lot of the Commonwealth Games on TV it was really good to see some of the lesser aired sports such as Badminton, Netball and Bowls get some serious airtime. Another plus was having the Para Games running alongside. All in all the Games were pretty inspirational and we took that inspiration into our fantastic three weeks of CHANCE CAMP action losing count of how many sports we played and even adding previously untried events such as FOOTGOLF (BASICALLY Golf with your foot) and VIGORO (Cricket/Tennis hybrid). With record numbers at three different venues we feel that CHANCE CAMP is moving onwards and upwards and we look forward to working with your children at half term and in the future.

Meanwhile, if you are missed the INVICTUS GAMES check it out online for more inspirational stories!

"I am in so much pain Sport keeps me going from the moment I get up to when I go to sleep".

MAKING THAT TALENT MATTER AT CHANCE CAMP

Another Summer over and another successful three weeks of CHANCE CAMP. As coaches we were so pleased with the commitment from everyone and with the talent on display as well. Quite often at this time of year when children are signing up for new sports or trying to decide if they should change sports it's really important to speak to as many people as possible such as parents, coaches and teachers. Sometimes you choose something because friends are doing it even though you personally might not be suited to it or you might not be getting into the team etc... There were many children who impressed us with the skills they had in sports they hadn't previously tried so you never know it's maybe the time to give something new a go! **JUST ASK CHRIS OR DAVID NEXT TIME YOU COME!**

REMEMBER YOU CAN BOOK FOR THE OCTOBER HALF TERM CHANCE CAMP THROUGH OUR WEBSITE

I am proud. I am a help for heroes
Band of Brother, I am Invictus!
