### ANOTHER FANTASTIC CHANCE CAMP!!!

Chance camp returned during the October half term break for 3 days of action packed Rugby at Cockermonth RUFC. Once again the camp was well attended with over 30 children signing up. Although the weather was bleak, it certainly didn't dampen anyone's spirits with all children, coaches and volunteers showing great enthusiasm and getting stuck in to the activities that were set.

Similar to our previous camps, the mornings consisted of lots of learning. The children were tasked with developing their physical and social skills. This meant there was a huge emphasis on improving hand-eye co-ordination, dodging, catching and tackling skills. The children were also set a series of challenges to test agility, balance, co-ordination, leg power and strength.

In the afternoons the skills that were developed were put into practice in a series of different fun competitive games.

By the end of the week all of the coaches were in agreement that the every child's attitude was excellent, with everyone giving 100% effort throughout the week. Well done everyone!

## Athlete Profiles:

At Chance Camp, we love to see local athletes succeed at regional, national or international level. The following three athletes progressed through the physical development programme Chris implemented in Allerdale from 2009.

### Myles Hudson

Myles Hudson, 25, is an Aussie Rules football player. Playing fullback for Wimbledon Hawks, Hudson represented England at the Euro Cup, Croatia, October 2015, winning silver.

Although he was only introduced to the sport around 3 years ago, Hudson highlights the opportunities that he had as a child for the reasons for his success. Hudson played rugby league for Ellenborough Rangers and Salterbeck Storm as well as football at district and county levels. Hudson cites the core skills for Aussie Rules were transferred from playing Rugby League and Football.

### Rio and Steffi Hardy

Rio and Steffi Hardy are football champions with South Alabama Jaguars after an unbeaten season in the Sun Belt Conference League, USA.

Throughout their youth, Rio and Steffi played for Workington Reds, as well as attending England football training camps. They also represented the county in Netball and Athletics before joining Blackburn Rovers, and then the Jaguars.

## Chance Camp is Back in February Half Term

Don't forget to ask your school about our Gifted & Talented Scholarship Programme! We have now worked with over 25 schools in Allerdale and many of these continue to use us regularly, which we are grateful for. We hope those Schools can see a difference in their students' appetite for Sport!
