CHANCE CAMP RETURNS FOR EASTER!

Chance camp returned during the Easter break for two weeks of sporting activity. The first week was held at Cockermouth RUFC, where we ran a multi-sport programme and the second week we ran a Rugby Camp at Netherhall. Both camps were well attended, with 14 children and 10 families benefitting from flood vouchers donated to Chance Camp. A big thank you to Cumbria Community Foundation for donating the £500 grant making this possible. As always we made great use of the excellent facilities at Netherhall getting outside onto the 3G and Rugby pitches. Unfortunately the weather wasn't great with us while we were Cockermouth. However this didn't stop the children with everyone eager to carry on and get outside on the pitches and tennis courts. It just goes to show that when given the opportunity children are still willing to get outside as much as they can

As with our previous camps, the mornings consisted of lots of learning. The children were tasked with improving their control and striking skills with their hands and feet during week one and their agility, sprinting technique and hand eye co-ordination skills in week two. The skills worked on in the morning were then transferred into team games and challenges in the afternoons. Well done to everyone that came and took part.
